UTAH STATE OFFICE OF EDUCATION
LICENSURE PROGRAMS

The Utah State Office of Education offers the following *Transition to Teaching* programs that lead to a Utah Professional Educator License. www.schools.utah.gov

Alternative Routes to Licensure (ARL)

This is a program for individuals with a bachelor's degree in a subject area taught in Utah schools, who would like to teach in Utah, but have not completed a teacher preparation program. http://www.schools.utah.gov/cert/apt/

Career and Technical Education Alternative Preparation (CTE/APP)

This program is for individuals whose backgrounds are in business, trades, and industry. http://www.schools.utah.gov/cert/apt/

Foreign Credentialed Educators (FCE)

Educators who have received teaching credentials outside the United States are eligible to enroll in this program to obtain a Utah Professional Educator License. For more information, contact Amanda Charlesworth at 801-538-7648. http://www.schools.utah.gov/cert/apt/

Troops to Teachers (TTT)

Eligible military personnel can enroll in this program to begin new careers as public school teachers. http://www.schools.utah.gov/cert/apt/

EDNET BROADCASTING LOCATIONS

Transition to Teaching courses are delivered through the Utah Educational Network System (EDNET). Courses are broadcast/televised to multiple locations throughout the state at the same time. The instructor teaches students from the broadcast site, as well as students in other locations using cameras that enable the instructor and students to see and hear each other.

TECHNOLOGY REQUIREMENTS

Salt Lake Community College (SLCC) courses are offered through a distance education model using VISTA. Students should be computer literate so they can work independently. It is imperative that program participants have access to a technology system that integrates with the system at Salt Lake Community College.

Transition to Teaching courses are interactive and create an environment in which teachers learn from others. To optimize learning, it is in the best interest of program participants to attend one of the broadcast sites which are located at Salt Lake Community College's Redwood Campus, Ogden High School, Payson High School, Grantsville High School, and Dixie State College.

ENROLLMENT

1. **Determine Courses You Need**
   Consult your Professional Growth Plan and determine which teacher preparation courses you need. If you do not have a Professional Growth Plan, contact the person in charge of your alternative licensure program. To help you plan your course of study, use the schedule at the back of this booklet that lists classes that will be offered in future semesters.

2. **Apply to Salt Lake Community College (SLCC)**
   To take classes at Salt Lake Community College you must first apply for admission. Applications should be submitted online on the college website which is www.slcc.edu. Click on "Prospective Students," then click on "Enrolling at the College." At the end of the application there is a category that asks you to identify "Academic Plans." There are five bullets. For the purpose of enrolling in the ARL program, click on the "Personal Interest" bullet. Then click on the "ARL-PI" option. Following is an example of what you will see.

After clicking on "ARL-PI, finish the application and click on "Apply Now." This must be completed before calling to register for classes. There is a $35.00 non-refundable fee.

3. **Register for Courses**
   To register for courses contact Jan Bell either by phone at 801-957-4107 or e-mail jan.bell@slcc.edu. You will need to know the EDU course number, Course Registration Number (CRN), and the site. If you are new to the *Transition to Teaching* program, you must also register for the prerequisite class, "Transition to Teaching." This is a non-credit orientation class that will give an overview of the program and the five core competencies teachers are expected to master in a school setting. Jan Bell can process tuition payments when you register for classes. You may begin registration on August 20th at 8:00 a.m. Enrollment will be limited to 30 students per course offering and registration will be accepted on a first come first serve basis. You may enroll until the first day of class, but if you enroll after August 30th a late fee will be assessed.

4. **Pay tuition**
   Tuition for each *Transition to Teaching* three credit semester course is $320. Tuition is $100 for the orientation "Transition to Teaching" class. There is a late fee of $50.00 if registration occurs after August 30, 2007. Tuition is due at the time of registration.

5. **Fall 2007 Courses:** The required core competencies, or pedagogical courses, are restricted to participants enrolled in the Utah State Office of Education's alternative licensure programs. These classes are not available to the general public.

Transition to Teaching

This orientation class will assist students who have a Bachelor's degree in a subject area taught in Utah Schools make a successful transition to teaching through the Alternate Routes to Licensure program. The Utah State Office of Education, in conjunction with Salt Lake Community College offers this program to assist students in obtaining a Utah teaching license. Course topics include an overview of the program, an introduction to the five core competencies teachers are expected to master in a school setting, the professional roles and responsibilities of a teacher, and the use of VISTA, as a learning management tool.
This is a four day intensive class. You must make arrangements to attend each class in order to pass the course. In addition there will be some assignments that you will need to complete outside of class.

Introduction to Special Education

Teachers will learn about the learning and social characteristics of young people with exceptionalities—that is, disabilities (physical, mental, learning) or giftedness—and about public policy and services available to them. As future teachers, they will learn about how such individuals are identified and served by the school system, what strategies are effective for instructing them, and roles and responsibilities of school personnel in providing appropriate educational experiences for all students in an inclusive classroom.
